SACHEM

**Winnacunnet High School

THE ROAD NOT TAKEN

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I
I took the one less traveled by,
And that has made all the difference.

Robert Frost

DEDICATION

We the Class of 1968, proudly dedicate this SACHEM to Mr. Stillman Hobbs. His devotion to the ideals of education has won respect from his colleagues and students.

A gentleman was once defined as one who never willfully inflicts pain. Stillman Hobbs is a true gentleman and one who will be greatly missed in the field of education.

*We, the class of 1968,
dedicate this page to the memory of*

Kevin Paul Geisler

It is timely for us to express the loss we feel

WINNACUNNET SCHOOL BOARD

Carroll M. Fogg, North Hampton; Karl J. E. Gove, Seabrook; John Trumbull, Chairman, Hampton Falls; D. Malcolm Hamilton, Hampton; Russell A. Merrill, Hampton.

The place: Winnacunnet High School; the subject: Public Hearing on the Winnacunnet High School Budget; "Are there any questions?"

SUPERINTENDENT'S MESSAGE

"Do not wish to be anything but what you are, and try to be that perfectly."

—St. Francis DeSales

The graduates of the class of 1968 have reached a time when important decisions must be made concerning their future. Going back into history a few years, young men and women, upon completion of a high school education, could expect reasonable success in the world of gainful and rewarding employment without thinking of higher education. We no longer can think in these terms. The unskilled jobs of years gone by are no more.

Our present day world has placed higher demands upon its youth in light of the knowledge explosion. Possession of your high school diploma places you on the launching pad for greater lifetime attainments. It is my hope that you recognize with sincerity the many sacrifices that have been made by those close to you—parents and teachers alike—so that you could enjoy the significance of this momentous occasion.

My personal wish to each of you is a lifetime full of accomplishment and fulfillment.

Paul L. O'Neil
Superintendent

PRINCIPAL'S MESSAGE

"Come, my friends. 'Tis not too late to seek a newer world."

—Tennyson

Each decision you make in life means that you had an alternative, for if you didn't have a choice your road would be predestined—thus no need to decide on a course of action.

I don't believe your roads are predetermined—you must make decisions that will influence your lives and in Tennyson's words "seek a newer world". A word of caution, in seeking newer worlds on untravelled roads have strong convictions and clearly defined objectives.

Best wishes for every success to members of the Class of 1968.

CLASS HISTORY

How often has each of us wondered when we would ever graduate? Now that we are graduates of Winnacunnet, we can consider our high school experiences.

As freshmen, we were unsure of ourselves and guided by the sometimes not so helpful hands of the upper classmen. Often we found ourselves in an Advanced Math class when we were looking for Mr. O'Haire's Algebra I.

Though the Winnacarnival was new to us, we proved our class spirit and put up a valiant struggle for first place. Our princess, Lorraine Jacques, was not crowned Queen, but we had a lot of fun trying.

We returned as Sophomores, more confident in our role as students now that we had Freshmen to mislead.

The most exciting event of our Sophomore year was the winning of the Class "L" championship. School spirit soared and we were an integral part of all the excitement.

Being more familiar with the Winnacarnival enabled us to put more effort and enthusiasm into it. "Chile Con Carnival" to the end! Again, we couldn't place Sandy Beyea in the Queen's chair.

Our Junior year was our busiest. We were in charge of refreshments at football and basketball games. Miss Ball was crowned "Queen of the Dump" because of the frequency of her visits to that part of town.

Though this was our first year playing Powder Puff football, we quickly defeated the seniors, largely through the enthusiasm of our adept cheerleaders.

We almost won the Winnacarnival during our Junior year. Though we earnestly tried, we were not the victors and Allysan Hilliard was only our princess and not our Queen.

Our prom, "European Evening" was a great deal of work, but we had fun and were happy to crown Denise Busch the Queen.

Our senior year was one of making important decisions concerning our futures. We spent much of our time pouring over pamphlets in the guidance office.

Ginny Gratta began her incessant cry for money. It was dangerous to walk by her if your class dues were not paid.

The fall and winter brought two successful senior parties and we were finally able to crown Denise Bourgue, a member of our class, Queen of the Winnacarnival.

We should always remember our days at Winnacunnet, but we should not wish them to return; we have absorbed what we could from Winnacunnet. We each have a duty to ourselves to seek new experiences and ideas. The class of 1968 steps into a world of opportunity. It is up to us whether or not to take advantage of it.

CLASS PRESIDENT'S MESSAGE

The small portion of our lives which we have spent at Winnacunnet will make a decided difference in our futures.

After high school everyone must mold his life to his individual tastes and ambitions. Some students will enter the employment world. Here they must use both social and academic knowledge acquired at Winnacunnet. Others will enter the armed services where they face death in their everyday work. These people must adapt themselves to a dramatic alteration of geographical and social environment. The college bound students face a period in their lives in which they must prepare more work in less time than ever before. All of these students entering employment, the armed services, or college must use the totality of knowledge which they have gained at Winnacunnet to be successful.

If the graduating class at Winnacunnet is indicative of America's youth, I am confident we are diversified enough to succeed our elders and to excel socially, morally, politically and scientifically.

F R O S H

The mail must go through.

How sweet it is . . .

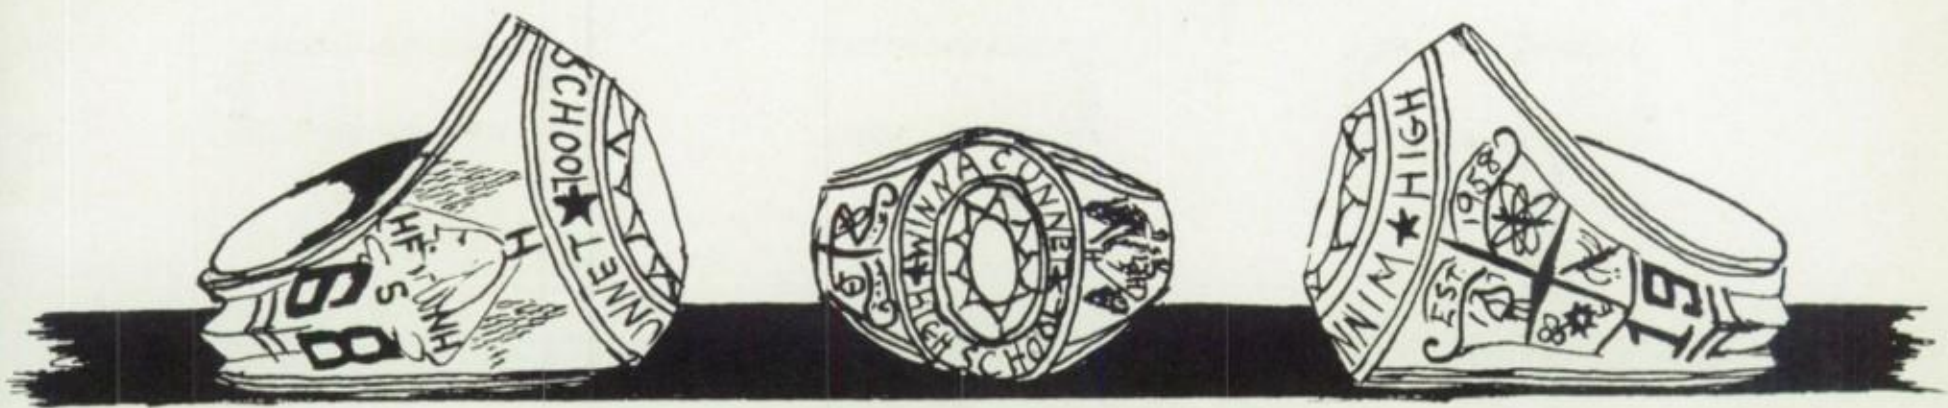

No. I didn't do it!

Me? Hercules?

Is it a snake? No. It's a high class worm.

On our class rings are found all the parts that make up the whole: the initials of the four towns, the pine trees signifying the names Winnacunnet "the beautiful place of the pines," and the Indian head portraying the mighty warrior.

WINNACUNNET ALMA MATER

All hail to Winnacunnet
We sing your praises high,
We are so very proud
But it's hard to say just why
There's knowledge we have found here
With joy and happiness,
And we know in all the years to come
That it shall never rest.
We work together,
Play together,
Always in Unity,
So again we hail thee Winnacunnet
Pledging Loyalty.

The thrust of the entire Student Council effort this year has been to relate more effectively and meaningfully to the students of W.H.S. Initiating such projects as the monthly STUDENT COUNCIL REPORT, the STUDENT OPINION POLL and procuring more student suggestion boxes, has assisted the Council in its attempt to become more important and influential in the eyes of the student body.

Although we have had some conflicts of ideas and interests with the school Administration, the Student Council does represent the students of W.H.S. It may be desirable to establish and maintain a constant rapport between the two groups, but reality dictates that if the Student Council truly represents and is responsible to the student body then ultimately conflicts of interest will arise. This is nothing to scorn, but rather it is necessary because the struggle for the power to make decisions is part of our democratic process.

Although a great deal has been accomplished this year, a great deal remains to be accomplished.

HONOR SOCIETY

FRONT ROW L-R: J. Charpentier, L. Palmer, J. Goodwin. SECOND ROW: D. St. Cyr, M. McAteer, D. Burwell, P. Chase, C. Smith. THIRD ROW: G. Lumbert, M. Willhauck, L. Dahlstrom. FOURTH ROW: S. Robertson, S. Hume, B. Storm. FIFTH ROW: Mr. La Chance, advisor, D. Jovin, R. Hunter, B. McGrail.

The Ora Maritima Chapter of the National Honor Society recognizes each year outstanding students demonstrating the qualities of scholarship, leadership, service, and character. The students are nominated by the faculty and final selection is made by the faculty council.

This year for the first time only one induction ceremony was held. Parents of the inductees were invited in December to the program and the reception which followed.

Throughout the year, the society raises money for the scholarship foundation.

The Yearbook is a publication which compiles the activities, sports, and achievements of the past school year. It is primarily a Senior project yet it is a school book. In future years more underclassmen should be encouraged to join the Yearbook staff.

This year's SACHEM is the biggest ever printed. It is the first yearbook at Winnacunnet to replace the traditional blue and white by a new style and brightly colored cover.

Each year the SACHEM improves. Last year color was initiated and this year there is more use of color as well as more candid, sport coverage, and activities.

SMOKE SIGNAL

L-R: W. Boutilier, J. Goodwin, editor, D. Moulton, D. Jovin, C. Stires, R. Ballentine, Miss Nesmith, advisor.

The Smoke Signals' purpose, as that of any newspaper, is to inform its readers. The Smoke Signal informs the student body of sports events scholastic achievements, and school news. The Smoke Signal has many features such as "Dear Winnie," "Watch on Winnacunnet," and "Buy, Sell, and Swap." Our newspaper also gives interested students an opportunity to contribute to their school and an opportunity to learn about the publishing of a newspaper.

YOUTH CENTER ??

The Winnacunnet High School Student Council, in cooperation with the Tappan Youth Association, is currently involved in a sincere effort to change this question mark into an established plan.

The Youth Center Station (see page 1-A, Smoke Signal) has been officially declared abandoned by the Tappan Youth Association and through a vote of the Student Council, the town of Tappan will actually own the entire building and the land area surrounding the station.

The other repeated question that we asked is: "What do we want it?" What are the possible uses for a building of this sort?

The Tappan Youth Association, under the leadership of Mr. John Forester, has felt for a long time that this building could be used as a Youth Activity Center, a place where lectures, games and study could be held. Such a meeting place would be beneficial to the community and area schools.

The Student Council, on the basis of the results of the Student Opinion Poll, seemingly feels it is in the interest of the student body to pursue this and to help establish an activity center where students of all could participate and participate. The Student Opinion Poll revealed that 54% of the student body strongly supported the idea and a total of 79% felt it is in the best interest of the Student Council to pursue such a building.

queen

Debbie Deane Rogers was crowned Winnacunnet Queen at the high light of the Smoke Signal's annual event.

STUDENT COUNCIL

The Student Council has announced that it has officially invited three major political candidates to speak at WHS in the near future. They are Eugene J. McCarthy, candidate for the Democratic nomination for the Presidency and Richard Nixon and George Romney for the Republican nomination for the Presidency.

Robertson is her well-known husband, Margaret Roberts, daughter of the late Senator, Robert J. Roberts, of Idaho. She is also the daughter of the late Senator, Charles McNamara, of California. She is also the daughter of the late Senator, Charles McNamara, of California. She is also the daughter of the late Senator, Charles McNamara, of California.

Art and stage direction is by W. Paul Latham; musical direction by Stanley V. Roberts. Musical accompaniment is performed by the renowned Winnacunnet Stage Band.

"Bubble Trouble" will be presented Friday and Saturday evenings, March 22 and 23. Admission tickets of \$1.00 are for the benefit of the WHS Scholarship Fund.

BUBBLE TROUBLE

Once again from the stage of that little theater on Landing Road, the repertory crew of the Winnacunnet Music Department proudly presents the fantastic production "Bubble Trouble" by Mel Weiner; music and arrangements by Al Davis and Al Williams.

The cast includes Betty Roper as the Judge; Charlie Nichols as the gruff Alvin Rumbaker; Dale Jovin as his old-fashioned son Harold; Doris Ingraham as Wilhelmina; Dale Lind as the charming Mrs. Stone.

W H S

The seventy-five member W.H.S. Warrior's Marching Band entertained football fans at all of the football half-time shows fronted by the W.H.S. Majorettes and Drum Major, Dale Jovin. One of the most popular shows performed during the season was the "Tijuana Brass" Show which featured music of the popular group and had appropriate marching formations.

The Band's fund-raising activities started with the Bandwagon Dance and included the selling of advertisements for concert programs and tickets for the concerts.

When the football season was over, band and chorus members began to prepare for the Christmas Festival Concert. The concert featured appropriate selections by the Band, Chorus and a special "Antiphonal" Double Brass Quartet. The Band was invited to submit a tape recording of Christmas selections which was broadcast on radio station WXHR.

After the Christmas vacation, a Pep Band was formed to play at the Friday night home Basketball Games. The

B A N D

W.H.S. Stage Band and a select woodwind group joined to form an eighteen piece band which played for the benefit of the W.H.S. Scholarship Foundation on March 22nd and 23rd.

Band members prepared for and attended the Music Competitions Festival in Rochester, N.H. on March 23rd. The annual "Swing into Spring" pops concert was held on April 5th and featured selections by the Chorus, Band and Stage Band. Six W.H.S. musicians represented our school at the N.H. Allstate Music Festival held in Lebanon, N.H. in April.

The highlight of the year, for the band members, was the exchange concert with Salem, N.Y. High School Band held the first two weeks in May. In addition to the concerts listed, Band and Chorus members provided music for many other activities including pep rallies, assemblies, Memorial Day Parade, Technical and Fine Arts Fair, Spaghetti Supper, Baccalaureate and Graduation. The Band and Chorus will miss the exceptional talents of the graduates of the Class of 1968 but are looking forward to a busy and musically rewarding future school year.

The Audio-Visual Club is an indispensable service organization of Winnacunnet High School. Its members provide various services for school teachers and students.

The services are some of the following: transporting A.V. equipment to any teacher at any time, operating the equipment, preparing transparencies or copies of materials for teachers, setting up public address systems, amplifiers and records players for assemblies, dances and social activities.

The members must be conscientious, trained and courteous. The boys also give up study halls to devote their time and talent to serve the school.

Chevalier, K. White, P. King, C. Trumbell, Mr. Pomerleau, advisor.

The Pep Club has been sustained by a very diligent, hard working group. The main thrust this year has been on the sponsoring of buses for the athletic events. The highly spirited backing of the teams must be credited to the students in general, but also in part to those highly energetic persons who have made the Pep Club an important part of the winning spirit at Winnacunnet High School.

MATHLETES

FIRST ROW L—R: P. Barry, M. Morris, J. Charpentier, M. Demarest. SECOND ROW L—R: M. Thompson, R. Hunter, R. Lee, J. Dionne, Miss Hudson, advisor.

The Winnacunnet Mathletes is a group of students from all four classes who are interested in mathematics. The team belongs to the Tri-State League along with other teams from Maine, New Hampshire, and Massachusetts. The teams are divided into two sections: the Northern Region and the Southern Region. They participate in six meets each year, entering a team of ten students at each meet.

The purposes of the organization are to foster interest in mathematics among students with the ability for the subject and to provide an opportunity for students to participate in a competitive activity.

HISTORICAL SOCIETY

FIRST ROW L-R: W. Hagerman, B. Smith, C. Birch, J. Blaney. SECOND ROW L-R: I. Fortier, S. Perizo, S. Waldron, C. Wentworth, B. Dutton, A. Russell, J. Buell, J. Clements. THIRD ROW L-R: R. Creighton, S. Barnaby, J. Kenney, D. Jovin, J. Hammond, T. Charon, D. Bester, K. Stubbs, M. Toppan, J. Dionne.

The Society is a number of students under the direction of Mr. Fernald. They are interested in the legends, facts and history of the surrounding seacoast area.

A few of the activities the Society partakes in are: cook-outs, Indian digs, field trips to various historical places, banquets with guest speakers, aiding in the local historical museum, and setting up displays. The Society's membership expands with every meeting as more students find that the history of our local area is filled with fascinating lore.

The Future Teachers of America is a member of the N.H.E.A. and the N.E.A. Established three years ago, its goal is to inform its members of the particulars of the teaching profession, its aspects and problems. Also, the club hopes to guide its members by suggesting courses of study to be pursued in college.

Activities include hearing guest speakers and teachers, such as Mr. Palmer who spoke on education in Australia; seeing films depicting the problems in teaching, and visiting schools. On such visits, junior and senior class members participate in classroom activities in grades which interest them. During the year club members help teachers with the minor details of their work.

Each year money is raised for two fifty dollar scholarships which are given to two deserving graduating members.

As with all clubs, the members find the F.T.A. irreplaceable. But it is perhaps a little more so, since its greatest concern is with the future of its members.

The Ski Club, under the direction of Mr. Ladd, is comprised of a group of students who enjoy skiing. The club sponsors group trips to the Big A.

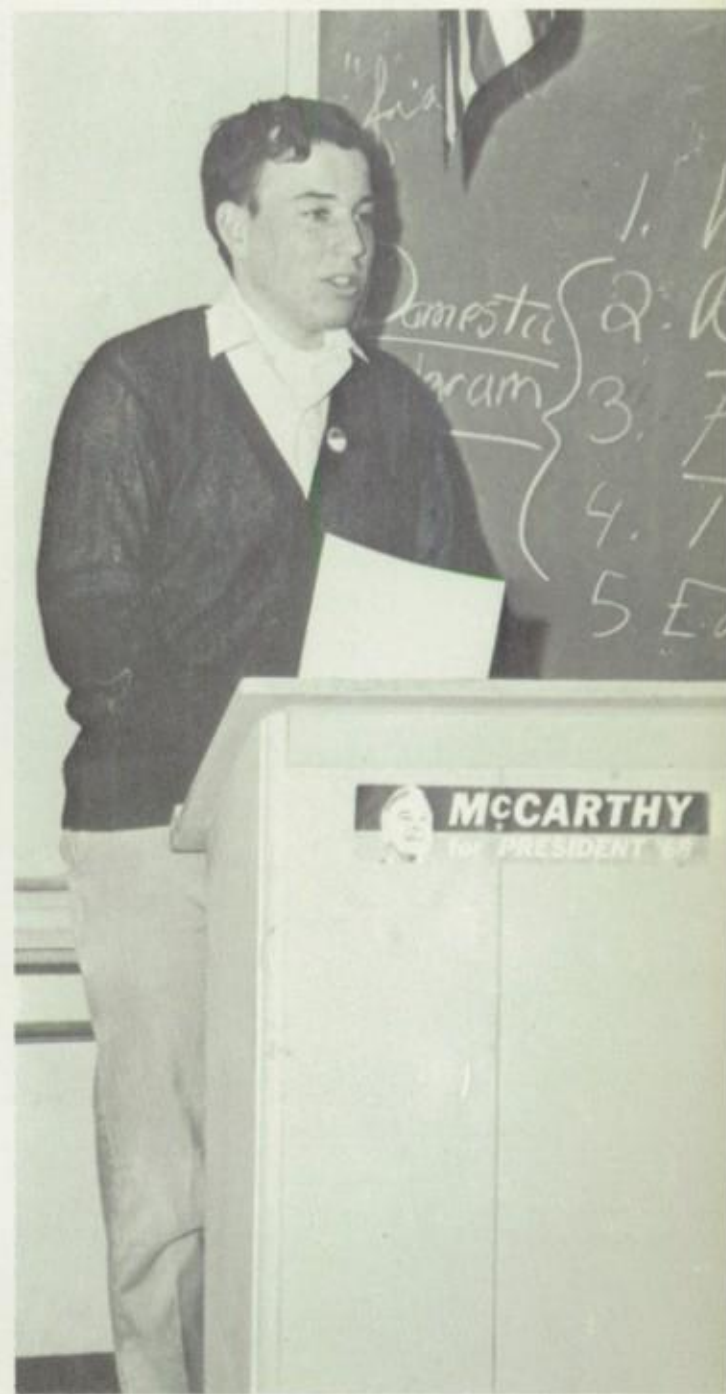

DEBATE

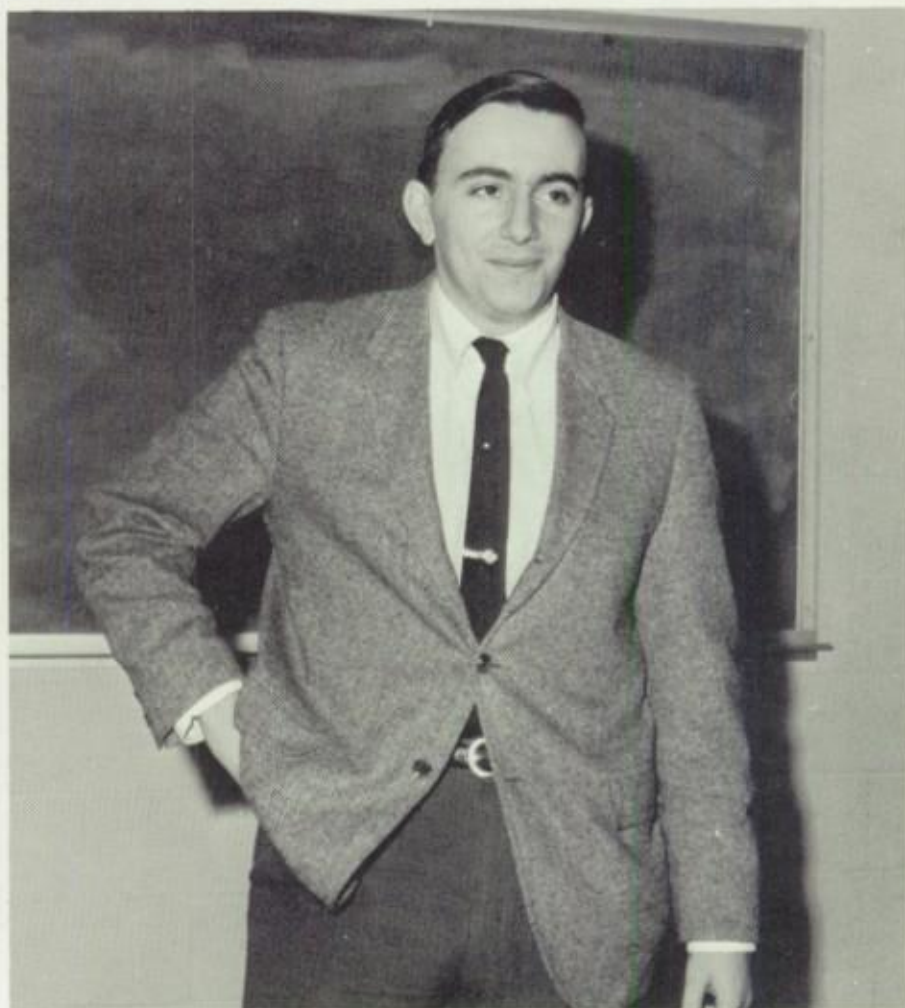

FIRST ROW L-R: Mr. Linsky, advisor, B. Lype, A. Wagner. SECOND ROW L-R: S. Calkins, G. Lamott, J. Lessard, R. Adams.

The Winnacunnet Debate Team is a member of the Southeast New Hampshire Forensic League, an eight team affiliate of the National Forensic League. Eight meets are held each year with WHS hosting the December meet this year.

This years' resolve has been a most timely one: "That Congress should establish uniform regulations to control criminal investigations and their procedures." This national resolve is used not only in league meets but also in various post-league tournaments in which WHS participated. Dartmouth College holds an invitational meet, always a favorite, in which more than a hundred high schools from approximately twenty states participate.

MARINE BAND

On September 27, 1967, the United States Marine Band played at Winnacunnet High School. The performances were sponsored by the Winnacunnet Scholarship Foundation. In the spring of 1965, Mr. Ray Sturgis proposed to the Scholarship Foundation that they investigate the possibility of having the United States Marine Band appear in Hampton. Arrangements were completed during the summer and the band played here for the first time in September, 1965.

In 1967, a long program of hard work intended to make the concerts a financial success began. Buttons bearing the words "The Redcoats

Are Coming" were handed out to students in the four towns.

Students of Winnacunnet and other schools in the area filled the gymnasium for the afternoon performances. They were a most enthusiastic audience and the concert moderator, Mr. William Jones, expressed the appreciation of the band and of the band's director, Lt. Colonel Albert Schoepper. "Hampton is one of the places we really enjoyed playing," said a bandsman.

Although it began to rain about suppertime, this did not dampen the spirit of the people who once again filled the gymnasium for the evening performance. As the concert progressed, time and time again an encore was demanded and several times the audience rose spontaneously to its feet in applause. Those who had attended a previous performance found that the band presented an entirely new program and those attending for the first time found that the music of the United States Marine Band was truly unique. After the concert closed with the playing of "The Marine's Hymn" and the scarlet coated musicians had left the platform the comments of the audience were all superlatives.

Later the president of the Scholarship Foundation received a letter of appreciation from Lt. Col. Schoepper, complimenting the people of Hampton on the behavior of their young people and expressing the pleasure of the bandsmen at having such appreciative audiences. The way is open for the band to play here again in 1969. The only problem is lack of space; our gymnasium is really too small. The Marine Band spaces its appearances widely and many people outside the Winnacunnet area would welcome an opportunity to attend. Those of us who heard and saw the performance this past year know it will be an event to look forward to.
